

Devil's Toolbox artist gallery page pricing, terms & conditions

Submitting your art:

Devil's Toolbox is helping artists showcase their wares by allocating space for 6 months on www.devils-toolbox.com. Inclusion of any artist to the website is at the sole discretion of Devil's Toolbox and is also dependent on whether or not server space is available at the time of your request. Send an email to jen.mccargar@comcast.net with toolbox inquiry in the subject line. Let me know what type of art you are wanting to showcase and a little bit about yourself. Please indicate if you are wanting to sell items or just have a few up as a portfolio. If there is a space available, I will ask you to send a photo of one of the pieces you are wanting to showcase. Hateful, homophobic and/or racist submissions will not be accepted, period. If your request to be included in the artist section is denied, no legal action may be taken against Devil's Toolbox.
